## SPECIAL FUNDS

All monies in Special Funds or to come into Special Funds are hereby appropriated for the purpose for which said funds are created or to the payment of bonds and interest thereon, issued for said funds.

<u>Section II.</u> Except in the matter of payrolls provided for the payments of the salaries of the officers and employees regularly employed by the Village and extraordinary emergencies, no warrant shall be issued in liquidation of vouchers unless an order is duly made that there are sufficient funds appropriated to the credit of the proper funds from which the expenditures are to be made.

<u>Section III.</u> This Council is not making specific appropriations for each item of every classification hereinbefore contained, but only for the total for each department and sub-departments shown in the final column. The itemized classification shall, however, constitute limitations on the power of the several department heads as granted in Section II, and no such officer or board shall make any expenditure for any other purpose in an amount other than that of the particular classification.

Provided, however, that transfers be made from one classification to another within the same fund by the Fiscal Officer as long as the sum of the appropriations for that fund are not exceeded, and in excess of said fund sum when authorized by Ordinance or Resolution of Council.

<u>Section IV.</u> The passage of this Ordinance and all deliberations relating to the passage of this Ordinance were held in open meetings in accordance with the provisions of Ohio Revised Code Section 121.22.

<u>Section V.</u> To preserve the public peace, health welfare and safety, and for the specific reason that the immediate effectiveness of this Ordinance is necessary to appropriate and/or transfer funds for the salt storage building, garbage collection fund, and employee health and welfare fund, this Ordinance is declared to be an emergency measure and shall take effect and be in full legal force and effect from and after the earliest period allowed by law.

Passed in Council this  $6^{th}$  day of <u>December</u>, 2023.
