Village of McDonald Seeks Public Comment on Proposed Woodland Park Tennis Court Improvements

McDONALD, OH – The Village of McDonald is seeking public input on a proposed project to resurface the tennis courts at Woodland Park. The Village intends to submit a grant application to the Ohio Department of Natural Resources (ODNR) through the Land and Water Conservation Fund (LWCF) to secure funding for the proposed improvements.

The project would involve resurfacing the existing tennis courts at Woodland Park to improve playing conditions, enhance safety, and extend the useful life of the recreational facilities. These improvements are part of the Village's ongoing efforts to maintain and enhance Woodland Park as a valuable recreational resource for residents and visitors.

As part of the grant application process, the Village is inviting residents and other interested stakeholders to provide comments regarding the proposed improvements. Public feedback will help inform the Village's application and ensure the project reflects community recreational needs.

The public comment period will be open from October 8, 2026, through October 22, 2026.

Residents wishing to submit comments, questions, or suggestions regarding the proposed tennis court resurfacing project may do so by emailing:

villageofmcdonaldgrants@gmail.com

All comments must be received by October 22, 2026, to be considered during the grant application process.

The Village of McDonald appreciates the community's continued support and participation in efforts to preserve and improve Woodland Park for current and future generations.
